Storefront / Curtain Wall
Structural Glazing

We fabricate ANY manufacturers system.

Aluminum Storefront:

Screw Race
Shear Block
Thermal - Non Thermal
Knock Down
Assembled w/ Endams, Sealant Gasket

Quality Control:

We use a QA/QC checklist, along with designated quality control personal whose sole responsibility is to ensure that all aspects of the required design are implemented.

In this fast paced industry you can't afford "fly-by" or "hit and miss" quality control. This is why "CAP" is your first choice!

Aluminum Curtain Wall:

-Stick Wall

Cut to length.
Notch if required.
Install shear blocks.
Weep the pressure plates.
Package per floor.

-Unitized Wall

Cut to length.
Notch if required.
Assemble
Glaze
Seal
Crate
Ship

Structural Glaze

Cap now offers Structural Glazing with Unitized Wall.
